

86th Birthday Well wishes for Khensur Rinpoche Lobzang Tsetan – 2023

- Dearest Rinpoche, I have so many delightful memories of our times together and your gentle giant ways. Spirit House, meeting in Malibu, Tashi Lhunpo Monastery, Siddhartha School, Go Campaign.... One memory that sticks out in my mind was the crazy airport debacle when they would not let you through security in San Francisco because your ticket and your passport ID did not match. Your humor and patience saved the day. I experienced the extraordinary impact you have on strangers as we sat and ate in the airport. People simply see you and wish to offer gratitude, receive blessings and be in your presence.

I am filled with your smile, your laugh, your insights and your deep wisdom. I am blessed to have shared time with you in this world, in these moments.

Please receive my deepest Birthday wishes for many more to come and for continued JOY and LAUGHTER.

Love, Nikki

- Rinpoche-la, I send many prayers for your long and healthy life. You are a blessing in this world.
With love and gratitude,

- Have the happiest possible birthday. As His Holiness says: start each day with a happy positive thought and your day will be happy.

Rinpoche, you have taught me so much as a time of trauma in my life - which you did not know about. I am deeply grateful.

And have a wonderful time on 5 March!

In friendship, and with respect,

Louise Nicholson (formerly New York, now the English countryside!)

- I hope you have a very happy and wonderful birthday Rinpoche....I miss you and hope you have many many more birthdays.....

With all good wishes and jullays from your friend and student

Dennis

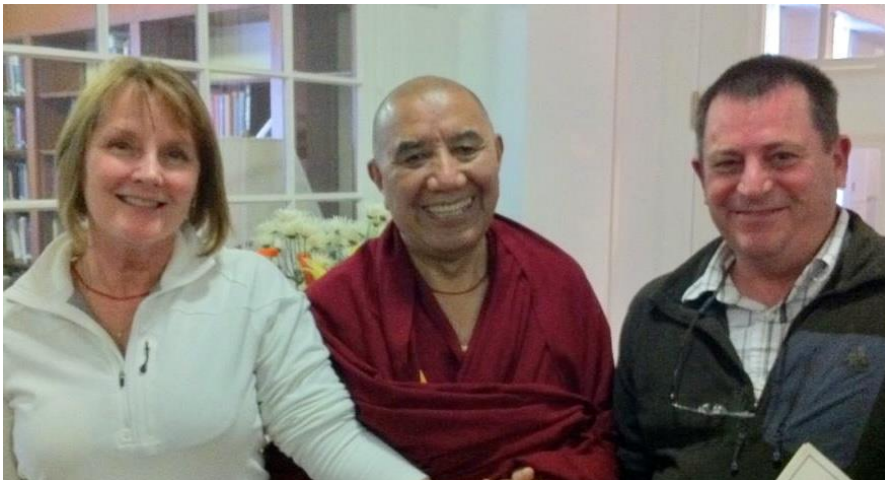

- Dear Khensur Rinpoche Lobzang Tsetan
Best wishes to you for your 86th birthday! You are always in our prayers and we are so grateful for the teachings we received from you – dating back over 40 years since we first met at the Tibetan Buddhist Learning Center in New Jersey! Your work with and support to the Siddhartha School has also been great to watch over the years – Khady shares similar experiences having founded a school in her home town of Nioro Senegal. Our boys (Marcus, Kyle and Eric) are all now in their 20's and off on their own – we pray they will continue to have good motivation and a good heart in all their activities. Love and prayers, Frank and Khady Lusby
